# The Area

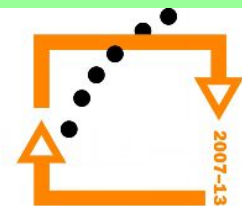

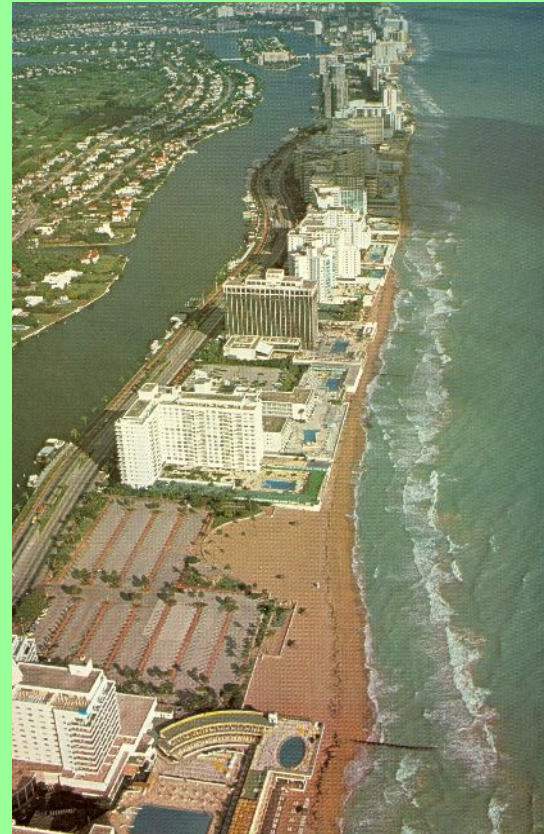

- The South includes the country from Florida to Washington in the North.
- The Appalachia is the western wall.
- The border between Maryland and Pennsylvania was always seen as the border between north and south.

# Florida

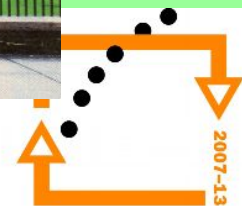

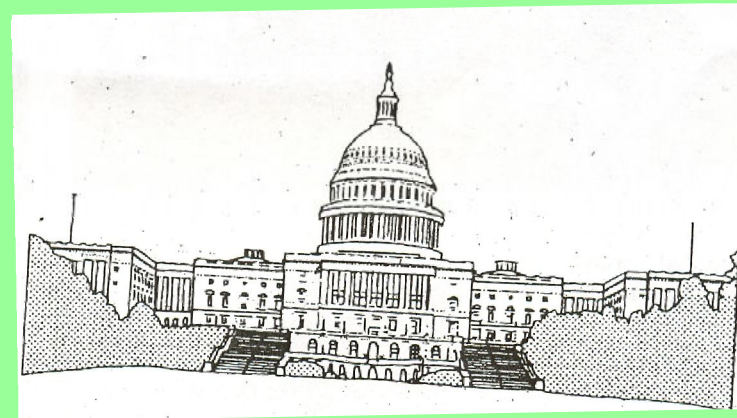

- The best climate can be found in Florida, there are **tropical and semi-tropical regions**.
- **Florida beaches** still draw plenty of visitors.
- **Palm Beach** is famous for its great amusement parks.
- Before giant resort hotels could line **Miami Beach**, the island itself had to be created by dredging.

pro konkurenceschopnost

# Washington

- **Washington DC** (District of Columbia)
- The national capital of the U.S.A. situated on the Potomac River about 90 miles from the Atlantic Ocean.
- The District of Columbia is the seat of the federal government of the United States.
- **The Capitol**
- The seat of the Federal Government (Congress) and its two houses of Congress (the Senate and the House of Representatives).
- **The White House** is the president's residence.
- The exterior walls made of sandstone were painted, causing the building to be termed the "White House".

# Washington

- **The Lincoln Memorial**
- It is a square, Pantheon-like white building with columns around it.
- There is a large statue of Abraham Lincoln
- **Washington Monument**
- It is the white marble obelisk that rises in the middle of the Mall.
- There are eight small windows, two on each side of the pyramidal apex of the obelisk to overlook the whole area.
